\$1,000,000 Sewerage Contract for Altona

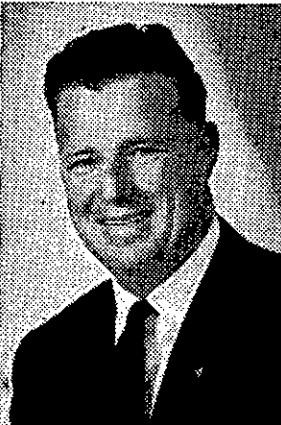

A sewerage contract for Altona which will cost nearly \$1,000,000, and which will provide sewerage for 690 houses and 58 vacant lots, has been approved by the Melbourne and Metropolitan Board of Works.

Cr. H. Weaver told the Council on Tuesday that tenders had been invited for the contract and had closed on February 3.

The 748 properties are in three areas. The first bounded by the Esplanade, Grieve Parade, Blyth Street and Maidstone Street, the second bounded by Blyth Street, Grieve Parade, Wren Street and Maidstone Street, and the third bounded by Railway Street North, Grieve Parade, Civic Parade and Pier Street and extending around the Council Chambers on the North side of Civic Parade. It is expected that these areas will be available for connection by June 1971.

Cr. Weaver said this was the largest area or number of houses ever let in one contract in Altona, and followed the previous trend of sewer- ing the older sections of the city first. It was something they had been striving for a long time.

The Mayor, Cr. P. A. Burns, said it was a very big move, and he was proud of the fact that it had come through. He congratulated Cr. Weaver for the work he had done as a Commissioner on the Board.

A "No Standing Any Time" zone is to be created on the south side of McArthur's Road, west of Millers Road, to the existing No Standing zone.

Reporting to the General Purposes Committee on the entrances leading from McArthur's Road to the car parking area at the Central Hotel, the Engineer, Mr. R. Simmons, said that congestion at or close to the entrances can be expected at peak periods if there is no orderly traffic flow within the parking area, and if vehicles cannot be parked quickly.

BOY DIED WHEN OUT SWIMMING

Fourteen-year-old Colin Jones, only son of Mr. and Mrs. L. R. Jones of Queen Street, Altona, died last week after he had been swim- ming at Altona Pier on the last day of the school holidays.

About 20 or 30 people were on the pier last Tues- day but apparently no-one saw the boy, who was said to be a strong swimmer, in difficulties.

He was reported missing on Tuesday night and on Wednesday morning his body was brought from the water by the Police Search and Rescue Squad.

Colin was a member of the St. John's Ambulance Brigade Cadets and was a player with the Presbyterian Church football and cricket teams.

He had attended Altona Primary School, Altona High School and at the time of his death was a student at the University High School.

Any persons who were in the vicinity of the landings at the end of the Altona pier on the afternoon of Tuesday, February 3, are asked to please contact Constable Jacobs at the Altona Police station.

ALTONA HOSPITAL

DISAPPOINTING MINISTERIAL PRONOUNCEMENT

The Minister of Health, Hon. V. Dickie, M.L.C., gave a most discouraging reply to a most representative depu- tation who advanced a proposal to build a module plan hospital of 40 beds in Altona North.

Mr. Dickie said that such a hospital is contrary to the government's present thinking, and though the government recognised the need for a major hospital in the Altona/Sunshine area, he recommended that no major fund raising should take place, either because of possible time lag or even in its physical location.

A deputation led by Mr. R. Stringer, President of the Board of Management of the Altona District Hospital, was received on February 4 by the Minister of Health and the Chairman of the Hospitals & Charities Commission, Dr. J. Lindell.

Included in the deputation were Cr. P. Burns, Mayor, City of Altona, Dr. J. Leyden, member of the Board of Management, Altona District Hospital, representing local Medical Officers and Mr. R. Higgins, President, Altona Rotary Club, representing the Lions and Apex Clubs of Altona.

Also present were two Par- liamentary representatives for this area, Mr. W. L. Floyd, M.L.A. and Mr. R. W. Garrett, M.L.C.

The deputation, following detailed planning since 1969, assisted by architect Mr. R. Underwood of Jones & Camp- bell Pty. Ltd., was able to present a positive proposal to improve Hospital facilities in Altona by building a new modularly designed Hospital in Millers Road, Altona North.

Mr. R. Stringer stressed the inadequacies of the present Hospital and the limited benefits of expansion on the Sargood Street site. The proposed hospital in Millers Road would be capable of expansion to 400 beds follow- ing a pre-determined 'module' plan. Initially it would con- sist of only 40 beds, serving both midwifery and general patients. This first stage

would be only slightly more expensive than a similar and final expansion plan on the Sargood Street site.

Cr. P. Burns spoke of rapid present and future expected growth of Altona area, in terms of both population and industry. He said Council en- deavours to provide all modern amenities for residents but there is still a definite lack in the field of Hospital services.

Dr. J. Leyden said the de- sign and purpose of the present Hospital was not in- tended or able to supply modern treatment facilities to the existing population of Altona. The development of a major hospital nearby in Footscray does not fulfil the modern concept of total patient care.

The more highly qualified medical practitioners now entering the profession favour an attractive, well equipped local hospital.

Mr. R. Higgins gave promise of support from numerous local groups and industrial enterprises. The appeal would not be an in- dividual project but would in- volve the whole community.

Mr. Dickie, supported by Dr. Lindell, replied at some length. He explained that the Government's current policy is one of regionalisa- tion and rationalisation with the objective of providing major hospitals with full an- cillary services in the metro- politan or country centres, e.g. Royal Children's, Royal Women's, Alfred, Footscray, Latrobe Valley, etc.

Some \$10-\$12 million per annum for the past 15 years has been spent on buildings, not including maintenance.

The concept presented by the deputation of building the first 40 bed module of a pro- posed 400-bed hospital is con- trary to the Government's present thinking which re- quires that hospitals once commenced will be develop- ed as rapidly as possible to their maximum bed capac- ity. Sections as completed would be opened for use, as is taking place at the South- ern Memorial Hospital, Caul- field.

The Minister also stated that building modularly could add up to 10% to the costs due to the re-arrangement of ancillary services as the building progressed.

In closing, Mr. Dickie said that the Government does recognise the need for a new major hospital of 500-600 beds in the Altona-Sunshine area and, whilst this has a high priority, no specific com- mencement date could be in- dicated until funds become available.

He recommended that any major fund-raising for this project should not take place until the Government was ready to proceed. This would avoid any community dis- appointment caused by an undue time lag between the fund-raising and project com- mencement or because of a change in Government policy regarding the new hospital's physical location.

Whilst Mr. Dickie's reply was disappointing to the de- putation, the President of the Hospital Board, Mr. R. Stringer, stated that a com- mittee would be held shortly to consider what further ac- tion can be taken to satisfy the Board of Management's and the community's desire and enthusiasm to improve hospital facilities in the City of Altona.

Garbage Complaint LETTER TO THE EDITOR

A complaint about the lack of notice given to ratepayers about the garbage collections over Christmas has been received by the Williamstown City Council.

Mr. D. Knight, of Gordon Street, Newport, wrote to the Council saying he considered advertising through the local press was an unsatisfactory method of communicating to ratepayers and notice should have been

given through the mail boxes as to when garbage was going to be collected.

He also complained about the trimming of street channels in Gordon Street. He said that the last time this was done work started from the Blackshaws Road end of Gordon Street and stopped after work had progressed to five or six houses down the street.

The previous time trimming started at the Mason Street end and stopped when less than halfway between May Street and Blackshaws Road.

Cr. F. Jarrad said it was obvious that quite a number of ratepayers did not read the paper. He said the once weekly garbage collection was not a great service, but was due to their financial position. He thought Mr. Knight was on the right track by complaining, and said next time they should issue notices through mail boxes.

He asked the City Engineer to attend to the complaint regarding the trimming of street channels.

SEAWEED

Dear Sir,

With reference to your editorial (4/2/70) I do not think that any correspondent has ever suggested in discriminate removal of seaweed from the beach. I am sure that you will agree with me that there is a world of difference between regular and indiscriminate

You stated that beach cleaning machines would be useless but not why. Why are the prevailing conditions at Altona so different to other beaches?

What also is the policy of the City Engineer? Most ratepayers would like to know his approach to this problem. On the rare occasions when the beach has been cleaned a lot of sand seems to get spilled over the side of the retaining wall so that there is more sand than grass. The seaweed is certainly as you stated — "not removed too frequently."

I am surprised than an editorial could state that we have "a health menace in our midst" but to say that the imminence of sewerage will overcome these problems. Just how soon will Altona be sewered anyhow?

Already there is controversy as to whether even treated sewerage should be let into the bay both here in Altona and on the other side of Melbourne.

It is pointless for the council to give consideration that no swimming near the Mulga Street drain be allowed because no one in their right mind would ever be able to stay there let alone swim.

And of course on our walks along the beach front (so few because the smell drives us home), we find that a nice clump of trees near Rayner Street which gives shade had all their tops removed during summer and were useless for the welcome shade they had supplied in other years. Surely if the council is going to plant and maintain trees it would be better to have some that don't have to be pruned in summer.

According to your editorial we seem to have a council whose main claim to fame is the number of trees it has planted.

Yours faithfully,

(MRS.) G. KNELL.

FAILED TO GIVE WAY TO POLICE — CASE DISMISSED

A case against Steven Clark of Hex Street, Tottenham, who was said to have failed to give way to a police car at an intersection in Williamstown, was dismissed at Williamstown Court on Friday.

Const. Jenkins said he was a passenger in a police car which was travelling along Power Street. As they approached the intersection with Ferguson Street they saw the defendant's car approaching on the right. He failed to give way and the driver of the police car

had to apply the brakes quickly to avoid a collision.

He disagreed with the defendant that because of the speed of the two vehicles there would have been time for both cars to cross the intersection without a collision.

Such, and many more, are the questions you are invited to share in discussing, in a preliminary fashion on February 15. It is hoped some plan of attack at these problems will emerge from the meeting. Val's Column

Hello Girls,

Hot. Oh how hot it gets! Never mind, keep up that smiling face, a cool appearance.

You've got problems? You want coverage but end up with a masky look. Only too often the whole make-up turns orange and shiny by lunch time? This occurs when too much oil comes to the surface.

This problem was mentioned last week. Oily skins need Natural Wonder products. Firstly, apply Under Make-up Lotion. Sweep this "dooder" on after cleaning to help keep fresh and free from shine. And its a medicated complexion protector.

Now consider one of the following three coverages:

1. Medicated Liquid Make-up with Matte Powder, pressed or loose.
2. Medicated Cake Make-up which is extra concealing coverage that glides on with its own sponge.
3. Note this one girls! Extra, extra oily skins have the wonderful help of Flowing Lotion. A sheer yet concealing medicated make-up, absolutely free of oil. Because of this the complexion oils can mingle, absorb into the lotion, but no shine through.

Blot over this with Blotting Powder — a translucent powder that blots up shine. Contains special unshine agents. Exclusive antiseptic puff sweeps up oily break through as it helps to banish germs and bacteria that can aggravate oily skin.

Poor baby. How they feel the heat. Pamper baby by having the best baby powder handy as a moisture repellent. To guard the skin against wet nappies and rough clothing. A baby lotion to protect tender skin against germs.

An antibacterial cream to prevent or heal troubled skin. A gentle soap to softly cleanse and not irritate tender skin.

Bye.

LETTERS TO THE EDITOR

ALTONA BUS

Dear Sir,

I am one of those unfortunate people who travel to and from work on the so called Altona Bus. I have been travelling on the bus for only a short period, but from the experience I've gained I hope that it won't be for much longer.

The time-table, to start with, is an absolute disorganisation. The bus is never on time, especially in the hours of the early morning and the after work period when people are relying on the bus to go to work and return home. Most times you pay your fare but you don't get a ticket for it.

The bus leaves Altona West with a handful of people but by the time it gets to Blackshaws Road it is packed like a sardine tin. Now, that's not where it ends. On route the bus picks up more and more passengers until the bus is packed like a truck loaded with animals. The same thing happens every peak hour. The bus gets so packed that the driver cannot see who has or who has not alighted.

So come on and lets do something about it before someone gets badly hurt. Why can't the authorities do something about it? For example, send two special buses in the mornings and two in the afternoons.

The population of Altona is growing very rapidly and this is the 20th Century, so lets try and live like 20th Century human beings.

I hope that this letter does not fall on deaf ears.

Yours faithfully,
ANTHONY DIMECH

Colin Ridge Wins Trophy For Best Bout

Fifteen-year-old Colin Ridge of Blackshaws Road, having only his third fight on Saturday won the trophy for Best Bout of the night at the Amateur Boxing contests at Williamstown.

Colin, fighting at 8 stone 6 lbs. won the Bantam-weight event and his fight was declared best of the 20 bouts.

A student at Altona North Technical School, Colin began training about six or seven months ago with Spencer Driver at the Footscray Youth Club.

He lost his first bout after a close decision.

The second time he filled a vacant spot on a night at Altona but due to a broken finger had not trained for 6 weeks and lost the fight.

But third time Colin was successful.

BOXING AND BUSES

by JERRY ATRICK

(Concluded)

Two weeks ago in this newspaper I told you
that these two subjects, Boxing and Buses, were
related. Today we have proof of that statement.

On Saturday, February 7,
at the Williamstown Town
Hall, 19 first class amateur
boxing events took place.

Boxers from Altona, Bray-
brook, Brooklyn, Chelsea,
Frankston, Langwarrin, Mor-
dialloc and Sandringham,
members of the Victorian
Amateur Boxing Association,
all turned up at their own
expense to help raise funds
for the Williamstown El-
derly Citizens' Club Mini Bus
Fund.

As an extra bonus for
those who paid to watch
the bouts, none other than
Johnny Famechon, Aus-
tralia's World Champion,
arrived to show his sup-
port for this worthy cause.

It would take too long to
personally thank all who
gave of time and money to
make the evening a success,
but certain credits should
or must be given, if only to
emphasise how important,
so many people of this city
and other suburbs regard
this Mini Bus project for the
Elderly.

People like Mr. F. Wil-
liams, of Newport, who or-
ganised the boxing events;
Mr. Spicer and Mr. Wilson,
members of the W.E.C.C.,
who worked untiringly sell-
ing tickets and collecting
donations.

The Mayor, Cr. Ron
Dawes, and Crs. Bert Clancy
and Keith White; the Town
Clerk, Mr. Morley, who gave
such solid support.

The caretaker of the Hall,
Mr. Humphries, sound sys-
tem, electricians for light-
ing and the presence of the
local police; all these things
are necessary to make an
evening a success.

A special appreciation is
due to Mr. Wally McGuin-
ness, of the Rose of Austr-
alia, for a surprise donation
of \$100, and to all the in-
dividual people and local
businesses (as listed below)
who by their donations took
care of the expenses for
trophies, hire of the ring and
hall, etc. —

Anderson Garage, Bates
Bakery, Bradbury, Burke &
Co., Buchanan & Stone, Ber-
nard N., Carpenters Garage,
CBC Bank, Calderwood
Coaches, R. & E. Cutler, J.
DeRose, Dunstan, Dumtan,
W. Dooley, W. Evans, Fitz-
patrick, C. & V. Ferguson,
Goldstein, J. Gray, K. & E.
Goetz, Hick, Hynes Bros.,
Ironsides Garage, Hon. A.
W. Knight MLC, Marrs
Radio, N. Mashford, Page,
Porter, Prince Albert Hotel,
Pickley Garage, Max Robert-
son, Reifschneider, J. Rit-
chie, Rathbone, Rodgers,
Stewart, Spicer, Savides,
Smith, Summers Sports
Store, I. Smith, K. Tyler, H.
Vines, Williamstown Central
Motors, Western Harbour
Angling Club, S. Weight, T.
& T. Webster, Williamstown
Florists.

Long list, isn't it, but
necessary because it shows
the measure of the gener-
osity of the people of this
City.

And last, but certainly
not least, was the special
donations of the following
extra trophies —

To Colin Ridge, the best
fighter of the night, a cup
from Ellis Motors.

To Stephen Douse, the
best runner-up, a trophy
from Pavlis Garage Newport.

To Jim Koppee, the best
loser, an encouragement
award trophy from Artie
Adams of Newport.

So you see, there is a
link between Boxing and
Buses.

The people who came to
see the boxing on February
7 and the Williamstown El-

derly Citizens' Club are
from that event \$356.50
closer to their target — a
MINI BUS.

If you feel the urge to
get on our list of donors,
send your cheque made out
to the Williamstown Elderly
Citizens' Club Mini Bus
Fund. The President, Mr.
Frederick W. Bennett, will
personally acknowledge all
donations and will send you
an invitation to view the bus
(when they get it).

They are still \$1267.69
short of the price.

The Curtain Rises

Now that the summer holidays are over
and the children are back at school, the parents
can spare a little time about their own pleasure.

So that all the tired par-
ents can enjoy a "night out"
the Williamstown Little
Theatre has gone to a great
deal of trouble to obtain the
rights of "Black Comedy
and the White Liars", which
was a great success when it
was played at the Comedy
Theatre in 1968.

This play, which is an
adventure in theatre, is de-
scribed by its author, Peter
Schaffer, as a production in
tandem on the theme of
lies.

It is great fun as well as
being interesting because of
its unusual effects to help
tell the story.

Mr. Grahame Murphy,
the WLT's set specialist, is
leaving on a cruise and so
the set design was created
by Mr. Robert Cunningham,
of the Nelson Gallery.

Construction of the set is
going along well under Mr.
Murphy's direction and he
will be able to leave on his
trip knowing that every-
thing is progressing well.

The play commences on
Wednesday, February 25,
and plays through to Satur-
day, March 7. The booking
opens at E. S. Marr's Music
Shop on Monday, February
16, so if you would like to
find out why the cast is re-
hearsing one part of the pro-

duction wearing blind folds,
please book early!

Remember that good seats
are always available at Mr.
Marr's, if you make the ef-
fort to book early.

The subscribers of the
WLT were entertained at
the theatre on Sunday, Feb-
ruary 8, to a screening of
slides of Nell and Alec Col-
ville's overseas tour.

Although the evening was
very hot, the slides were
screened to a capacity audi-
ence who all appreciated the
supper and cool drinks
served in the courtyard at
the end of the evening.

These slides are to be
screened again on Saturday,
February 14, at the WLT,
2-4 Albert Street, for mem-
bers of the theatre and any
other interested people.

DRUNK DRIVER FINED \$125

At Williamstown Court on Friday, Bruce Murdoch, of Bronte Court, Williamstown, was fined \$125 and was disqualified from obtaining a driving licence for 18 months on a charge of driving a car while under the influence of drink.

Const. Fawcett told the court that he saw Murdoch driving down The Strand. He was swerving from side to side and as he went round a bend in the road the tyres squealed loudly.

Murdoch then turned into Bronte Court. As the officer approached him he noticed his breath smelt of alcohol. Murdoch said he had been drinking from 2 p.m. until nearly 6 p.m.

He was taken to the police station where a breath test showed a blood alcohol count of .310.

Drove Off After Accident

After colliding with a car in Power Street, North Williamstown, Ernest Churchill, of Queen Street, Altona, did not give his name and address to the other driver. At Williamstown Court on Friday he was fined \$15.

Mrs. Evelyn Raymond, of Victoria Street, Williamstown, said after the collision had occurred in Power Street she got out of her car and approached Churchill's car. He also got out, and she could hear a baby crying in his car.

He told her to move her car, and then he went back to his car and drove away without giving her his name and address.

Const. Wiltshire told the court that when interviewed Churchill admitted being the driver of the car in the accident.

In a statement to the police he said that after the collision he got out of his car and then saw that a group of youths from a nearby hotel had gathered round the other car in which there were three young girls. As he had his wife and baby in the car he went back to his car and drove off.

That night he went to the Altona police station to report the accident, but it was closed.

HIT SON WITH VASE

Because he was angry at his son who had been swearing at him, Andrew Portelli, of Power Street, North Williamstown, hit his son on the head with a glass vase.

At Williamstown Court on Friday Portelli denied having assaulted his son. The case was adjourned for 12 months and he was bound in the sum of \$100 to be of good behaviour.

Edmund Portelli, of Power Street, North Williamstown, told the court that he had been repairing the motor mower at home when his father saw him and started shouting at him and telling him that he would ruin it.

An argument then developed during which he swore at his father. He went into the house and while he was washing his hands in the bathroom his father hit him three times on the head with a glass vase.

Detective Nunn told the court that when he was interviewed Mr. Portelli admitted hitting his son with the vase and said he had done it because his son was swearing and calling him names.

STOLEN CARS

A car worth \$600 belonging to Mr. Vincent Jernis, of Russell Place, Williamstown, was stolen from outside his home on January 31.

Mr. Jernis left the car, which contained tools, clothing and a camera, worth \$100, outside his home and he found it missing the following morning.

On January 27 a car belonging to Mr. Brian Thompson, of McIntosh Road, Altona North, was stolen from outside his home. It was worth about \$50.

Drank Metho On Golf Course

Seen at Spotswood Golf Course drinking methylated spirits Thomas Fennelly of no fixed address was fined \$40 at Williamstown Court on Friday. He was also fined \$2 for being drunk and disorderly.

Const. Cogan told the court that at 11.30 p.m. on February 3 he went to the Spotswood Golf Course and saw Fennelly lying in the grass drinking from a bottle.

When asked what was in the bottle he admitted it was methylated spirits and said said he was drinking it because he was "short of funds."

FOOTSCRAY HOSPITAL EXTENDS

PAEDIATRIC SERVICES
TO BE EXPANDED

In order to alleviate the increasing pressure of work at the Royal Children's Hospital it has been decided to expand the services available at Footscray and District Hospital for the investigation and treatment of sick children.

This project has the blessing of the Hospitals and Charities Commission and is being carried out as a pilot project which will set the pattern for similar projects developing at other hospitals.

It is interesting to note that in the early years Footscray Hospital treated many more children than it does at the present time.

Since the Royal Children's Hospital transferred to Parkville there has been a tendency for children to be taken to that hospital by their parents rather than to Footscray and District Hospital.

This new project involves close co-operation and liaison between the Royal Children's Hospital and Footscray Hospital, with the provision at Footscray Hospital of full time doctors who have been trained in children's work and who are still attached to the Royal Children's Hospital. As a result of this arrangement there will be skilled children's doctors available in the hospital throughout the full 24 hours a day.

The services of children's specialists at the hospital are to be increased and various ancillary services are to be developed so that the very latest treatments can be undertaken, e.g. X-ray, laboratory and anaesthetic services will be co-ordinated with those at the Royal Children's Hospital and the necessary skill and special equipment provided so that the services will be available.

The expansion of these paediatric services will coincide with the opening of a new 28-bed children's ward at the Footscray Hospital, which will provide ample accommodation for sick children from the western suburban area.

In order for this project to be successful it will be necessary for the sick children in the western suburban areas to be brought to the Footscray Hospital rather than being taken to the Royal Children's Hospital. In addition, it is hoped that all doctors in these areas will refer sick children directly to Footscray and District Hospital rather than to the Royal Children's Hospital.

It is hoped that this project will make it possible for doctors to be trained in children's illnesses at Footscray Hospital, such training to be available not only for Resident Medical Officers but also for interested General Practitioners in the area.

Side by side with this development a Consultant Children's Specialist will be setting up in private practice in proximity to the hospital so that his services will also be available for private patients.

If further information is required with reference to this statement, contact may be made direct to Dr. Mathew, phone 317-0211, ext. 209.

ROTARACT GETS OFF TO GOOD START

Rotaract, Williamstown's junior Rotary Club, got off to a good start last Tuesday when about 30 young people attended the inaugural meeting at Talbot Hall.

The club is for young people aged between 17 and 25. It is a mixed group and run on similar lines to Rotary, being a community service club.

Williamstown's Rotaract Club has been formed by the Rotary Club and will be run under their jurisdiction.

The aims of the club are quite complex. They are to stimulate acceptance of high ethical standards in all occupations, to develop leadership and responsible citizenship through service to the community, and to promote international understanding and peace.

The club will meet every second Tuesday night and one meeting in four will be a dinner meeting, the other three being supper meetings.

President of the newly formed club is Ian Jenkins. The vice president is John Whittington, secretary is Sandra Dorrington and the treasurer Joy Lawreson.

At the dinner meeting last week the president welcomed the new members to the club, and he also welcomed the President of Rotary, Mr. Bill Boyle, other members of Rotary, and the guest speaker, Senior Const. Max McHugh, of the police public relations department, who chose as his topic "The role of the policeman in the modern community".

He traced the history of the police force back to the early days in England, and explained how the present force had emerged in Victoria.

Looking at the police today, he spoke about their role at protest meetings.

"If you want to protest, you should be allowed to, as long as it is lawful. The moment it becomes unlawful, it is you who are in trouble", he said.

He explained that once a person had been arrested, it was their duty to go with the policeman, and not to be cheeky or struggle or hit the policeman. If this happened extra charges such as resisting arrest and assaulting a policeman in the execution of his duty could be imposed.

He said the present abortion inquiry involving some members of the police force had done a great deal in improving public relations, because the thinking public realised how hard it was for the ordinary policeman to go about his work under the strain of publicity against the force. "The thinking public are more on our side than ever", he said.

Looking to the future he said if Victoria wanted a

first class, 20th century police force, it would have to ensure better conditions to attract young men, better equipment and better police stations.

After thanking Senior Const. McHugh for his talk Mr. Jenkins thanked the members and guests for attending the meeting.

The next meeting of Rotaract on February 17 will be a supper meeting at the Talbot Hall, and the subject for discussion will be "What you think Rotaract should be doing in Williamstown".

LEVEL CROSSING TO BE MADE SAFER

Attempts to make the level crossing at Champion Road, West Newport, more safe for motorists, are to be made by the Railways Department and Williamstown City Council.

The Secretary for Railways has advised the Council that it would be appreciated if they could arrange to provide suitable advanced warning signs to give earlier warning to motorists that they are approaching the crossing.

His Department is arranging for large reflectorised discs to be attached to the gates to give added warning to motorists when the gates are closing or shut against road traffic.

At the Council meeting last Monday Cr. Leo Hoffman said that four roads met at this crossing, and it was very dangerous for motorists approaching from the Market Street direction.

"From Champion Road you can see the signs, but from Market Street there is no warning that the road swings to the left and that there is a level crossing ahead", he said.

It was decided that the Traffic Officer should report on the situation to the Traffic Committee.

LIONS WANT CAPSTAN

Williamstown Lions Club have asked the Council if it will make available the capstan of the old sailing ship "Habitant" to the Club, to be placed in the vicinity of the Strand Reserve.

The club felt that as the "Habitant" was a link with early history of Williamstown it would be desirable to preserve a small portion of it for posterity.

The Council have asked the Engineer to report to the Reserves Committee on the subject.

Bicycle Found

A gent's bicycle which was found on the grass land at the Esplanade on January 30 is at the Williamstown Police Station waiting to be claimed.

THEFTS FROM BOATS

Between January 27 and 29 a fire extinguisher was stolen from the motor boat "Robyn" belonging to Mr. Fred Hansen, of Mariner Street, North Williamstown, when it was moored to the Gem Pier.

Ten water tank caps and two fire nozzles, worth \$10, were stolen from tugs moored to the Reid Street Pier on January 28.

A boat belonging to Mr. Rex Blaubaum, of Lambert Road, Toorak, was broken into at the Royal Yacht Club, Williamstown, on January 30, and binoculars two compasses and tools worth \$150 were stolen.

NORTH STATE L.A. CLUB

Parents and friends of members of the above Club are reminded that the next meeting will be held in the North Williamstown School Library on Friday, February 20, commencing at 7.45 p.m.

It is imperative that there is a good attendance at this meeting as arrangement for the Third Annual Presentation Night must be discussed.

Members from North State chosen for the Williamstown team invited to Corio for the annual Geelong / Corio / Williamstown Inter-Centre meeting were:

BOYS — P. Cassell, A. Gibson, S. Mulholland, A. Sims, D. Tobin, D. Vickers, D. Armstrong, P. Davies, J. Meertens, S. Smith, K. Innes, M. McNamara, S. Stewart.

N. Knott, P. Raymond, S. McNamara, A. Scott and D. Sturrock.

GIRLS — G. Goding, C. McNamara, A. Falzon, J. Gittins, J. Hurwood, V. Kells, A. Jamieson, D. Meertens, J. Cullinan, P. Rodgers, D. Whitmore, L. Jamieson and L. Monaghan.

Under most unpleasant conditions with the temperature at almost 100 deg., North State members performed more than creditably.

Outstanding in winning their events against stiff opposition were Stephen Mulholland (400 and 800 metres), Adrian Sims (triple jump), Dianne Meertens (shot put and discus), Louise Jamieson (shot put and 100 metres), Catherine McNamara (800 metres) and Jill Gittins (800 metres).

David Vickers was most unlucky in the 60 metres hurdles and was awarded second place after a very controversial decision.

Congratulations to the whole Williamstown team who were most impressive in their first Inter-Centre meeting this season.

LEN O'DONNELL CLUB CHAMPION

Len O'Donnell won his first Club Championship on Sunday morning when he defeated Jack Fisher, a former club champion, 31-21.

Jack started well, scoring a two, four and two singles on the first five ends to lead 8-1. He maintained a lead to the thirteenth end when the scores were 12-8.

Len scored a four on the fourteenth to make the scores level.

Over the next ten ends Len scored four twos, a three and two singles to run ahead to 25-15. He went further ahead to lead 30-15.

Jack fought back well at this stage with a couple of good firm shots and scored three twos to reach 21 before Len scored that elusive single to run out a good winner by 10 shots.

A good drive by Len early in the game when Jack's bowl was right on the "jack" seemed to lift Len's confidence.

Congratulations from all are extended to Len who is having a good year. He, at the time of writing, is still left in the other three club events — the Pairs, President's Trophy and Consistency (100 up).

LETTER TO THE EDITOR

Sir, Criticism by parents to the lack of organisation by the Altona Little Athletics Centre on Saturday, February 7, at Grant Reserve was unjust and unwarranted. Most of the delay was caused by the late arrival and lack of officials.

Officials are the dedicated parents who attend each Saturday so as their children and others may participate in healthy sports. If more parents would attend and act as officials the delay could be reduced.

"Ivan Watson"
Memorial To

L. Constaninou

Feature event on last Sat-
urday's program was the
one mile "Ivan Watson"
Memorial Wheelrace.

Supporting events were a
half-mile handicap and a
five mile scratch race.

Geoff Salter won the first
heat of the wheelrace with
Tom Reynolds second and
Colin Robson third.

Ian Salter carried off the
second heat clear of Leon
Constaninou with Tony Rob-
son third.

The final of the wheelrace
was highlighted by two out-
standing performances. The
winner Leon Constaninou
rode the entire distance
alone off the 85 yard mark
defying the backmarkers to
run him down.

Considering the windy con-
ditions Leo's one out per-
formance was superb.

Second placegetter Tom
Reynolds gave his com-
panions the slip with a lap
and a half to travel and dis-
played a ton of courage in
endeavouring to catch Leon
but he failed by ten yards.

Ian Salter fought on
gamely to take out third
placing.

Martin Reynolds won the
first heat of the half-mile
from Colin Robson with Ian
Salter third.

Tony Robson won heat two
with Tom Reynolds and Leon
Constaninou filling the plac-
ings.

In the final of the half-
mile handicap Tony Robson
applied pressure right from
the start and proved too
strong over the final lap to
score from a tenacious Mar-
in Reynolds with Colin Rob-
son third.

The five mile scratch race
was one of the most keenly
contested and interesting
witnessed at the track for
many years.

Leon Constaninou jumped
the field with two laps to
travel and held his lead
until the furlong where he
was passed by Tom Rey-
nolds.

Halfway up the finishing
straight Ian Salter headed
Tom and was being acclai-
med as the winner when Geoff
Salter, arrived on the scene
with a withering burst to
snatch a narrow victory.

Over the final furlong the
lead changed four times and
at the finish only one bike
length separated four riders.

LIFESAVERS' PRESIDENT
RESIGNS

Mr. Hank Kip tendered his resignation as
president of the Altona Life Saving Club at the
Monthly Executive Meeting held in the Club-
house on Tuesday, February 2.

First letter in "Correspon-
dence" was from President
H. Kip tendering his resi-
gnation as president and Pa-
trol Supervisor due to night
school commitments.

His resignation was receiv-
ed with regret, with the hope
that later on he may be able
to resume an active part
again.

Hank has been a member
of the club for many years,
holds all awards up to the
Award of Merit and has held
practically all offices at
some time or other including
Chief Instructor, Assistant
Instructor, Coach, Patrol
Supervisor, Social Secretary,
Club Captain and Vice-Cap-
tain.

His Worship the Mayor,
Cr. P. A. Burns attended the
meeting for a short time. He
thanked the Committee for
inviting him to be Chief
Patron during his term of
office as Mayor.

VISIT BY OLD MEMBER

Mrs. Pat Hall, better
known locally as Pat Burt,
visited the club house during
the holidays. In a letter to
the president Pat commented
on the fine facilities the club
now has which were non-
existent in the days when
she was a member.

Pat was a regular member
of the ladies' team in the
1950's and was one of the
stalwarts who helped to put
the club on the map.

She held several offices in-
cluding Ladies' Captain, Vice-
Captain, Minute Secretary
and Social Secretary.

She thanked Miss Heather
Harley for the courteous
manner in which she show-
ed her around the club house
and told her how the club

was faring. Pat now resides
at Ballarat.

The Treasurer reported
that the bank balance was
at its lowest for many years,
but this was due to the cost
of the recent extensions. A
cheque should be received
from the Royal Life shortly
for the State Government's
share of the cost.

KIOSK TAKINGS DOWN

Mr. Byrne said the Kiosk
takings were down on last
year but this was due to the
poor weather during the
holiday period.

A request was received
from Mrs. Barbara Morgan
for a release to South Mel-
bourne as she wished to com-
pete for that club. She now
resides near South Melbourne
and her husband, Jim, is
Club Secretary there.

Barbara's request was
granted with regret but also
with best wishes for the fu-
ture.

Barbara will never com-
pletely sever connections
with Altona Life Saving Club
as she was elected a Life
Member in 1967.

The Club Captain, D.
Shanahan reported that pa-
trols were maintained during
week-end and holidays but
mostly by the same few
members.

A visit was made by the
Society's Patrol Officer and
full points were gained both
for the efficiency of the pa-
trol and the First Aid equip-
ment.

Fifteen first aid cases were
treated during the holidays.
Two were serious cuts and
were sent to a doctor for
stitches. Five were cuts
from glass but none were
sustained in the area patrol-
led by the Club.

season with wins over Jack
Lawler, Alan Wynn and Fred
Basten, and only Fred Basten
took John to three games.
Peter Whelan again won 3
rubbers for Liston to give his
team a 7-4 win.

Kingsville, who now appear
to be the strongest side in
A Grade, won a long game
from Williamstown 9-2. Jim
Montgomery won 3 rubbers,
while Hayes and Mitchell
won two each.

Williamstown's Barry Tay-
lor and Steve Slattery had
one of their leanest nights
so far, each winning only one
singles which accounted for
Kingsville's easy win.

Newport, after a run of
losses, had a timely win
over Polonia at 8-3 to hold
second place from Liston.

In B1 Footscray and West-
erners provided the closest
Friday night match with a
6-5 win going Footscray's
way. Footscray showed they
could not be underestimated,
even with only two men. Alan
Dyall was best player of the
match winning three singles
rubbers in good style.

Centre (B1), playing with-
out Jack Whyte, downed a
surprised Maribyrnong 7-4 to
hold second place by a slender
margin from Footscray.
After a shaky period when
he switched from a hard-
pimpled rubber bat to the
more difficult to control
sponge rubber, Kevin Lam-
bert played his best game
for several weeks by win-
ning 3 rubbers against Mari-
byrnong.

Ballarat Road Methodists,
B2 (Richardson, McInnes and
Woodyard) proved far too
strong for Altona, winning
10-1. Richardson and Mc-
Innes won 3 each for Bal-
larat Road Methodists, while
Alan Fox won Altona's only
rubber, and so hold second
place behind Reckitt & Col-
man by only 2 rubbers from
Avondale Heights who re-
ceived a walkover from Al-
tona Colts.

Top C2 Grade team Goetz
defeated Rheem 7-4. Goetz,
who were without Associa-
tion President Ken Winfield,
defeated a consistent but

slightly less talented Rheem.

Reliable Theo Moltz with 3
rubbers swayed the match in
Goetz's favor.

M.P.D. in C2 won 6-5 from
Seaholme in a match that
was even from start to finish.

The Flynn brothers domi-
nated the game for MPD,
while for Seaholme B. and
T. Simmons almost won the
game for Seaholme.

C3 Grade leader F&T. Car-
pets downed Williamstown
Youth Centre 8-3 with S.
Psaila starring with 3 rub-
bers. Williamstown players
have performed well during
the season but have yet to
combine together in one
match. Last Wednesday
night it was Frank Milton's
turn when he won 2 rubbers.

F.I.T. showed improved
form to defeat Altona 7-4
with F.I.T's. J. Jamieson
clinching the game with 3
rubbers.

Match of the night in D3
was between Snappers and
Outlaws. Without third play-
er Pam Gates, Outlaws were
unlucky to lose at 6-5. Frank
Bissett of Outlaws was out-
standing with 3 rubbers.

Reckitt & Colman main-
tained the lead in this grade
with a convincing win over
Bristol Paints, while Ballarat
Road Methodists, in top form
at present, beat Explosives
8-3 to be only 4 rubbers out-
side third place.

St. Mary's "F," youngest
team in D4, are almost level
with Avondale Heights. With
Avondale Heights losing 9-2
to grade leaders Reckitt &
Colman, and St. Mary's re-
ceiving a walkover, Avon-
dale lead St. Mary's by a
mere two rubbers.

Bernie Fox, Newport Post
Office captain and star play-
er, finally lost a singles rub-
ber to Barry Harrison, who
beat the previously undefeat-
ed Fox 21-13, 21-17. However,
Altona could not match New-
port's other players and lost
8-3, and at the same time
dropped from second to
third, being ousted by Sea-
holme who won 11-0.

In E1 North Footscray took
the lead from St. Mary's "D"
with an 11-0 walkover from
Williamstown. St. Mary's
"C" won 11-0 to retain third
spot ahead of Esso Tigers.

Newport Post Office (E1)
defeated Sunshine 10-1 with
John O'Brien and Col O'Brien
in unbeatable form, each
winning three rubbers.

CHURCH CRICKET

The second last round of matches in Western Suburbs Protestant Churches Cricket Association was commenced last Saturday. Generally, runs were found easy to get by the batsmen who finished up on top on the day.

Evidence of this fact was that no fewer than three centuries were made, with many other high individual scores.

Highest score was registered by Kingsville Baptist C Grade Ross Amiguet with 149 n.o.

Others to get the 'ton' included Robert Brunt of Ballarat Road Methodists in B Grade and Geoff Wescott for St. Andrew's, Footscray, in C Grade.

Garton for Laverton Youth Club registered a hat-trick in the Under 12 Grade against Kingsville Baptists.

Other stars of the day included in A Grade were Barry Webb with 50 for Newport Methodists and John, 6-52, for Paisley St. Baptists.

In B Grade Peter Annear with 51 for Ballarat Road Methodists and Ian Haskell, 7-27, for St. Eanswythe's, and in C Grade Kite, 5-25, for Yarraville Baptists, and St. Andrew's, Footscray, batsmen Alan Maloney, 68, and Ron Punshon, 61, to assist in the highest team score of the season.

In Junior Under 16 Sections, North has commenced its final game, which is a two-day match, and South played a one-day fixture, with the final match, another one-day fixture to be played next Saturday.

Scores of the day's play are as follows:—

A GRADE

Seddon-Yarraville Congs. v. Williamstown Congs. No scores reported.

Yarraville Baptists, 2-48 (N. Hayes 28) still have a long way to chase Kingsville Baptists, 9-181 dec. (Hardiman 31, J. Anderson 33, G. Jackson 24, W. Anderson 28, Spicer 4-53).

Newport Methodists, 148 (Webb 50, A. Cocks 31, Viney 23 n.o., Merry 6-52, D. Clements 3-18) are locked in a do-or-die struggle with Paisley Street Baptists, 2-14.

Barkly Street Methodists also are in a do-or-die struggle with Tottenham Baptists who batted all day for 8-207 (A. Murray 35, Gock 48, Curwood 21, P. Murray 31, Grassham 37 n.o., McInnes 19, Quinn 4-51).

B GRADE

Ballarat Road Methodists, 7-282 dec. (Brunt 103 n.o., P. Annear 51, M. Berryman 48, McGillivray 33, Brooker 3-82) are well placed against All Saints, 138.

Christ Church, 106 (Jones 19, Sandells 28, Stevenson 4-27, Mattinson 4-19) are already behind Williamstown Methodists, 4-114 (Mattinson 19, Stevenson 45 n.o., Brewer 20 n.o.).

ALTONA YACHT CLUB CHRISTENS CHERRY LAKE

By "SPINNAKER"

On Saturday, members of the Altona Yacht Club were rather disappointed when, because of the weather and lack of a crash-boat, sailing was postponed.

But someone (who shall remain nameless) suggested sailing on Cherry Lake. After much derision and questioning of sanity of certain members, approximately 15 boats of various classes and 40-odd members in various states of disbelief congregated "pon the shores of Cherry Lake by sparkling inland waters."

Club Championships are noted for their surprises and Saturday's fifth heat was no exception, three of our best boats having their hulls damaged, one seriously, and floating debris is possibly the cause.

"Avenger," A. Stessl, was one of the unfortunates. A 90 seconds lead in the first lap was quickly cancelled when he crashed with major hull damage allowing "Impulse," G. Owens, whose "direction finder" earlier was faulty, to take first place.

Mirror Class heat 5 was another good win for "Abda," A. Ploog, now in an unbeatable position in the series, but this does not deter his opponents from contesting every point.

Results 5th Heat Club Championships (Kitty Catamaran Class). — 1st, "Impulse," G. Owens, 1 hr., 33 mins., 56 secs.; 2nd, "Nigretta III," R. Ballard, 1 hr., 37 mins., 48 secs.; 3rd, "Aisha," D. Keating, 1 hr., 38 mins., 20 secs.

5th Heat Mirror Class. — 1st, "Abda," A. Ploog, 1 hr., 53 mins., 4 secs.; 2nd, "Yoirimba," R. Brown, 1 hr., 54 mins., 29 secs.; 3rd, "Pao," M. Taylor, 1 hr., 55 mins., 42 secs.

Open Handicap. — 1st, "Impulse," G. Owens, 1 hr., 32 mins., 56 secs.; 2nd, "Y Cat," C. Tacy, 1 hr., 34 mins., 33 secs.; 3rd, "Yoirimba," R. Brown, 1 hr., 35 mins., 28 secs.

Ted Philipps laid three buoys from his yacht, but his dastardly plot to drown his main sailing opposition was foiled by the fact that after capsizing the water level was found only to rise as far as one's navel.

An impromptu, unofficial, madcap race followed.

Many crews, after either becoming exhausted by the 25 to 30 knot southerly or water-logged because very few boats escaped a dunking or two, or three, or four (or more in the case of the Henshall brothers — shall they ever learn) would retire to the shore for refreshment.

Later they regained the "race" and would miss several buoys, take short cuts across the middle of the lake or get out and push their boat around buoys. Shame on you Bob Smith, shame!

Everybody and anybody who happened to be standing around was invited to sail.

Boats, crews, skippers and wild shouts were exchanged as the revelry continued long into the afternoon.

John Grieves demolished the tiller arm of the Bertram family Heron and cajoled another boat — Ivor Burcher's one-race-old GP14 (he usually sails a Hornet). Ivor, hearing of John's past record, rose, muttered a quiet obscenity, scanned the horizon, his brow deepened — he was lost in silent prayer.

Since no-one bothered to count the laps or to observe many of the rules the race never really ended, nor was there a winner, or that is how it seemed from the shore.

What shore there was, was packed with cars that had turned off Millers Road to watch. Even the Mayor, it seemed, enjoyed the view enough to join the gathering on the shore.

All those who attended were in agreement that due to the lack of weed and in spite of its depth (why was it never bulldozed out when it dried out?) this lake is now better than Albert Park Lake. Taking into account its unweeded proportions Cherry Lake is larger than Albert Park which sports several yacht and rowing clubs.

If Cherry Lake (once a swamp as Albert Park was) was one to two feet deeper the City of Altona would sport an inland aquatic recreation area unparalleled in the metropolitan area.

Which other city has both a beach and lake and which other yacht club a choice of sailing venues barely half a mile apart?

This lake is safe. Due to the City Engineer's foresight it is assured of a water supply, bounded by areas being developed as park, it has Altona's main artery (Millers Road) by its side and with a little civic pride it will be a great asset to this city.

Great flocks of swans and sea birds daily fly to this lake and now it is proven that it is possible, when the lake is full, to sail upon it.

If the Yacht Club's rapidly expanding Sabot training program continues to develop as it has been, many more local children will enjoy this sport in even greater safety as well since this lake is admirably suited, rowing clubs may flourish as well.

Even teams from the local schools could add these two sports to their sporting activities. There are enough schools, enough youth, enough need, and now, enough safety — many of the yacht club members waived the age-old rule of wearing a life jacket since they were simply not needed. Boats could be built in carpentry classes and sailing and rowing taught as a sport.

There are most assuredly many who think twice about venturing into the sport of sailing because they have never had the chance to try it and because of a secret fear of the wind and wave on Port Phillip Bay.

Next time, and by the enjoyment of all last Saturday there will be a next time, members sail on the lake, do not hesitate to wander over and try sailing in safety. Most members will certainly be glad to introduce newcomers to the sport as they were last Saturday.

ALTONA FIRST XI

After winning the toss and batting the Altona First XI failed to capitalise fully on a perfect wicket against a tame attack at Melbourne High School.

Openers Garde and Duckett batted brightly until, with the score at 16, Garde didn't get over a cut and was caught. Captain Cooney joined Duckett who was most unfortunate to sustain a wrist injury which contributed to his dismissal with the score at 38.

Altona then lost 4 wickets in the next half hour. With the score at 6 for 80 Altona were in real trouble.

Paone was joined by Duff and for the first time runs flowed freely. Young Paone, using his feet well to the spinners, drove powerfully and it was a shame to see the led run out for an excellent 18 made under pressure.

Duff, who was batting beautifully was joined by Dare and these two added 47 runs through good attacking stroke play and well-judged running.

A good last wicket partnership of 25 between Naughton and Gray took the score to 166.

A score of 166 on this wicket is not good and without the efforts of the lower order batsmen Altona would have been in dire trouble.

The Altona batsmen, with the finals coming up, must realise that to do their job scores of 15 or 20 are not good enough against these other side.

In the last half hour Bob Dare bowled very well to crash through the defence of two batsmen. With Altona on 166 and MHSOB 2 for 36, an interesting finish is assured.

B GRADE

Altona won the toss and batted on a good wicket.

They got off to a good start with the first wicket falling at 69, Joe Grassby going out for 32. Frank Thomas carried on but Altona lost four more wickets, and were 5 for 108 when Frank Kirk joined the steady Frank Thomas who was 62 at this time.

After making 25 Frank Kirk was caught when trying to push the score along.

Rod Gray joined Frank who was 73. It looked like Frank Thomas was going to reach his coveted goal of 100, but he ran out of time and was 94 not out at the end of the day.

At the end of the day Altona were 6 for 186.

C GRADE

Requiring an outright victory to keep their final four hopes alive Altona went all out last week-end and at stumps appeared set to take full points.

Noel Michael won the toss for Altona and asked South Port to bat on a wicket which could only be described as a disgrace to the competition.

The pattern for the day was evident after one over had been bowled by each of the Altona openers, with others flying and the South Port batsmen showing a lack of initiative.

Altona had no trouble to dismiss the opposition for the meagre total of 42 and then set about overtaking this total to at least secure first innings points.

The runs required were obtained for the loss of four wickets at which stage the innings was declared closed thus allowing the bowlers

ALTONA CLUB XI

Playing Laverton 2 at home, the Club XI lost the toss and were sent in to bat.

A. Bailey and Bruce Forrester soon got settled in and gave Laverton 2 a hard time in the field before Forrester was lbw in the last over before tea with the score at 99.

A. Bailey followed Bruce to the sidelines very shortly after the match resumed but B. Douglas and Jeff Blocker carried on the good work until Douglas was bowled.

Dave Murphy hurried things along with a spirited nine in 11 minutes and at that stage captain Phil Reid declared.

At stumps Laverton 2 are no wicket for 33.

ALTONA DEFEAT WERRIBEE-LAVERTON

The Altona Combined Under 16 team proved too strong for the Werribee-Laverton boys in the Inter-Association game last Sunday.

A fine partnership of 84 by Paone and Featherby paved the way for a good victory.

Scores:
Altona, 5 for 134 dec. (Jenkins, 7, Hitchcock 6, Paone 56 ret., Featherby 31 ret., Willett 17, Hughes 12 n.o., Mil-lan 3 n.o.).
Werribee-Laverton, 85 (Mil-lan 2-1, Hitchcock 1-12, Grant 1-8, Healey 2-9, Paone 2-19).

Under 14 Cricket

In a combined Inter-Association game the Altona Under 14 team were easily defeated by Werribee-Laverton Combined.

The Altona bowlers did well to dismiss the opposition for 84 but failed badly when they batted to be all out for 37.

Scores:
Werribee-Laverton, 84 (R. Hancock 1-10, Leigh 3-9, G. Wilson 1-13, A. Wilson 1-13, D. Wilson 2-6, G. Sorrell 1-20).

Altona, 37 (P. Mildenhall 15, S. Mitchell 7-19, G. Fiddian 3-16).

With only one more game to go it seems as the match not played in the first round between Seaholme and Westona will have to be played before the final four can be decided as at this stage any of the Altona, Seaholme or Westona teams could get fourth place in the finals.

Results:
Altona, 85 (Davies 45, Hancock 12, Howard 12, Mayberry 5-43, Light 4-26) defeated Seaholme, 59 (Friend 20, Leigh 20, Sorrell 4-21, Warr 3-8).

Combined Churches, 5-112 (O'Sullivan 37, Colbert 20, Swift 11 n.o., Wilson 10, Hancock 10) defeated Altona West, 55 (G. Millan 20 n.o., Donnelly 11, Downs 4-8, Wilson 4-23) and 5-37 (Donnelly 12).

Altona High, 6-86 (Hobbs 22, Symonds 18) defeated Westona, 47 (Matthews 19 n.o., Hobbs 3-4).

Next week's games:

Altona West v. Altona (Rush Reserve).
Combined Churches v. Westona (Altona West).

Altona High v. Seaholme (Seaholme).

approximately an hour at the batsmen.

Success was immediate as Maurice Critchley and Noel Michael both obtained early wickets and South Port were 2 for 0 which they were able to take to 2 for 23 at stumps.

An early breakthrough next week should ensure Altona of an outright victory and possible entry into the final four.

South Port - 1st Innings, 42
South Port - 2nd Innings, 2 for 23
Altona-1st Innings, 4-62 dec.

Newport Cricket Club

FIRST XI

Latrobe University had no hesitation in batting under near perfect conditions at Newport on Saturday.

Accurate bowling kept the score down to a dreary 5 for 70 at the tea interval but any hopes the locals had of dismissing the remaining batsmen cheaply were dashed by a long sixth wicket partnership of 110 runs which was finally broken 30 minutes before stumps.

The tail-enders tried to force the score along and the students were all out in the last over of the day for a solid total of 202 runs as a weary Newport side trudged off the field.

The pace men shared the wickets with Ross Bryant 4 for 24 outstanding, Tom Russell 2 for 45 and Jack Jar-rad 2 for 27 also bowled well.

SECOND XI

Newport elected to bat on an excellent wicket out at the huge Latrobe University Oval, but through lack of concentration tossed away a golden opportunity to build up a big score.

In a disappointing total of 121 only the consistent Ken Parker 34, Geoff Colvin 28 and Graham Clark 23, showed any form with the bat.

Newport's bowlers struck back hard to have the opposition reeling at 4 for 19 at one stage but at stumps they had recovered to be 5 for 75 and a second consecutive defeat is staring the locals in the face which could prove costly with only one more match remaining before the finals.

Graham Clark 2 for 19 and Ken Parker 2 for 22 completed a good double, supported by L. Swanson 1 for 12.

CLUB XI

Playing W'town Colts, Newport batted first and were in early trouble when they lost 2 for 6. However, the club's most outstanding junior in Alan Redshaw, who in the morning had made a brilliant 138 n.o., then came to the crease and pounded out another 97 runs before being caught on the boundary when only 3 runs short of making club history.

Alan Mouser 28 and Max Healey 18 rattled up some quick runs as Newport were able to make 204 in a good recovery.

The opposition showed Newport's bowlers scant respect as they slammed 2 for 54 off 10 overs at stumps to leave the result wide open.

A. Lloyd 17 for 17 and A. Mouser 1 for 24 were the successful bowlers.
Congratulations to Tom Russell who this week had the rare honor of being elected a life member of the Williamstown Football Club while still a playing member.

Noordenne Cup Starts Sunday

More and more interest is being shown each year by metropolitan teams in the Western Suburbs area in the Noordenne Cup which is run annually by Altona City Soccer Club.

Fourteen clubs have entered and hard games are expected. Sunshine City who have won this cup three consecutive times have been allowed to keep the trophy and President, Mr. L. C. Noordenne, has provided another handsome trophy. A cheque for \$100 and medals to the winning team give that added incentive to play harder.

Altona City have done a good bit of recruiting over the closed season with four new players having been signed—Tommy Keane from Juventus, Jim Ackers and Jim Allan from Park Rangers.

A scoop signing by the club was that of Ian Hynds who was with Scottish club Hearts. Ian is only 23 years of age.

A new pavilion is being built at Kims Reserve at a cost of \$25,000 so it would appear Altona City are after promotion to the State League.

On Sunday at Ballarat they gave an indication of what is in store by trouncing Ellwood and Keilor. The new signings played well despite the 100 neg. temperature.

Williamstown Amateur Athletics

SEAGULLS WIN THREE PREMIERSHIPS

Williamstown bettered last year's performance of two premierships by taking out the Senior "C" and "D" and also the Under 15 titles.

D Grade No. 2 Team finished in fourth position.

It was almost a clean sweep as the Under 13 team, equal on top for premierships points last Saturday and with highest percentage, could only lose if the equal top team received a walk-over, and it occurred to relegate Under 13 into second place.

There are five venues in Melbourne where inter-club competition is held each Saturday. The winners from each zone will meet in a two-day final to decide the winners of the Victorian Amateur Athletic Association premierships and the runners-up compete in a similar losers' final.

The venue will be Dolemore, Mentone, next Saturday, February 14, and March 7.

Young athletes are improving daily as is shown by the many personal best performances. John Van Den Oever created a new ground record when winning the discus throw with 95'5" in Under 13 years, and Paul Allsopp 80'5" to win for a personal best in Grade 2.

Eero Keranen triple-jumped 36'8" and ran the hurdles in 14.6 secs. for best.

Ray Powley, the "Mighty Midget," ran the mile in 5 mins., 1.3 secs., and Nick Macras pole-vaulted 6'6" for new figures.

John Handley was the only senior C Grader to write new figures when second to Terry Phelan in the mile, clocking 4 mins., 22.5 secs.

D Graders Ron Scott, 38'1½" in the triple jump and S. Lafchairs, 93'5" in the discus throw were happy with their bests.

Mike Barbayannis is expected back from his holiday in Greece in time to take his place in the Under 15 line-up.

Will athletes watch the club noticeboard closely for transport arrangements and changes of program times for the two-day finals. If unavailable notify immediately.

Church Football Meeting

The annual meeting of the Under 12 Methodist Church Football Club will be held on Thursday, February 19 at 7.30 p.m. in the Church Hall, Seves St., Altona, to discuss the formation of an Under 15 team.

All interested parents are welcome to attend.
